WE HAVE A NEW MISSION STATEMENT!

After a deliberate, intentional process involving ELC's pastors, church council, and all church members, we have finalized our new mission statement. The mission statement is:

Gathering in Community, Growing in God's Word, Going in Service for Christ.

This Mission Statement clearly states our purpose and ministry as a church in the Waynesboro community and guides our actions and our reasons for doing so. It highlights our core values and describes the soul and passion of our congregation.

The mission statement prompts us to ask ourselves three key questions: Does what we do create a community? Does it help us grow in God's word? And does it encourage us to go out in service for Christ? If the answer to these questions is yes, then we're fulfilling our mission as stated in our new mission statement.

We are grateful to our pastors and the council for their leadership and discernment, and to all members who made their voices heard. Praise be to God!
