"GATHER, GROW, GO" STEWARDSHIP EMPHASIS

This July, we will have a special three-week stewardship emphasis titled "Gather, Grow, Go," centered around our new mission statement: Gathering in Community, Growing in God's Word, Going in Service for Christ.

Throughout this exciting summer series, we will reflect on the many ways God calls each of us to share our time, talents, and treasure in support of our congregation's wonderful ministries. Each Sunday will feature a brief temple talk at the beginning of worship, celebrating how God is already at work in the life of our church and inviting every member to prayerfully consider how they can participate more fully in Christ's mission.

This emphasis will be about discipleship, gratitude, and joyful participation in the ministry we share together. We invite all members and friends to join us for this meaningful and encouraging journey as we celebrate what God has done, give thanks for the present, and look forward with excitement to Christ's future ministry through our church family.

CHURCH PICNIC

Mark your calendars for the church picnic on **September 13th.** We will have a unity service on this day.

A KIND REMINDER ABOUT SUNDAY MORNINGS

Sunday mornings are a special time of worship, fellowship, and renewal for both our congregation and our church staff. We kindly ask members to refrain from requesting office business, administrative tasks, or non-urgent matters from office staff before or after worship services whenever possible.

Our staff works diligently throughout the week to support the ministry of the church, and Sunday worship is also an important opportunity for them to worship and spend time with their families and fellow believers.

If you have office-related questions or requests, we encourage you to contact the church office during regular weekday hours or place a note in the office mailbox. Thank you for your understanding, kindness, and support of those who serve our congregation so faithfully.
